Dear Council Member:

My name is \_\_\_\_\_ and I am hoping to become a homeowner in the future and most financial institutions require you to have taken the homebuyer's training. Eastside Concerned Citizens, Inc. Neighborhood Center provides this training in the neighborhood, which makes it easier for me to obtain my goal of becoming a homeowner. This is a very important first step in my goal of home ownership. I have found out that there is presently a long waiting list for this service due to a lack of funds. I'm asking that you support Eastside Concerned Citizens, Inc.'s Homebuyer's Training in any way possible.

If you have any questions, I will be glad to talk with you. Thank you.

Sincerely,
